## From the Sweepstakes Chairman....

The 2013 - 2014 FINAL Sweepstakes listed were calculated and completed by Tara Parker. Should you have any questions regarding the Sweepstakes for the 2013 - 2014 year, you should contact Tara. I will not be able to help you with anything for the 2013 - 2014 Sweepstakes.

I took over the Sweepstakes at the beginning of the 2014 - 2015 Sweepstakes year. Should you have any questions or concerns regarding the current Sweepstakes, please feel free to contact me at: [rwgehr@cbcast.com](mailto:rwgehr@cbcast.com).

Some things to keep in mind.....

1 - Shows are SUPPOSED to send in the reports from their shows within 30 days of the show date. However, it sometimes may take 6 - 8 weeks or even more before the reports are received. If you feel you are missing points from a show you attended, drop me an email and ask for a listing of your points and the shows from which they have been calculated. I will be happy to send a PDF file of the shows I have you down for and the number of points received at that show.

2 - Show Secretaries are human, and can only read LEGIBLE entry forms and remark cards. You may know what your rabbit's ear number is, so even if it is not written clearly, you know what it is supposed to be. The Show Secretary must try to figure out or guess at many ear numbers due to the entry form or remark cards not being clearly legible. Please take your time when filling out your show paperwork and make sure letters/numbers are LEGIBLE. If you feel an ear number of a BOB or BOS animal is incorrect, contact me with your concern, noting the show, the animal, and the award. I will look into it and get back to you ASAP.

3 - Keeping the Sweepstakes for over 1,000 shows per year and over 500 members, there is going to be something that slips through the cracks. As hard as I try, it is impossible to be 100% accurate. However, any and all errors will be corrected at the first opportunity once I have been notified of same. Please contact me positively with your concern and we will manage just fine.

4 - Showing in the club Sweepstakes is a benefit of being a member. We aim to please any and all exhibitors, and to make sure everyone receives all the credit they are due. Help us to help you by working with us for the betterment of the CRSC and the Sweepstakes contests.
