

2018 CALIFORNIAN NATIONAL SHOW

At this time, I have not received any pictures from the Californian National Show. When I do, some will be posted here. If you took any pictures at the show, please send them to me for possible use in the Californian News

I also have not received any “official” show report, so points cannot be figured for the show at this time.

I did receive hand written control sheets and had to type the results to get them into a usable format. I apologize for the delay in posting these results, but couldn't find the time to type the results for the Open and Youth shows until just last night.
